NeuroCinema at the Annual Meeting...

SATURDAY MARCH 24, 2018  
2:00-4:00PM  
**NEURO CINEMA FESTIVAL**  
IN HONOR OF DR. OSCAR ABELIUK  
**"THE DIVING BELL AND THE BUTTERFLY"**

Jean-Dominique Bauby (Mathieu Amalric), editor-in-chief of French fashion bible Elle magazine, has a devastating stroke at age 43. The damage to his brain stem results in locked-in syndrome, with which he is almost completely paralyzed and only able to communicate by blinking an eye. Bauby painstakingly dictates his memoir via the only means of expression left to him.  
(Source: Wikipedia)

This film is directed by Julian Schnabel and is presented in English and French.

MODERATOR: Suketu Khandhar  
Saturday, March 24, 2018 2:00 -4:00PM
