

SAN FRANCISCO NEUROLOGICAL SOCIETY

Advancing knowledge and improving practice in the neurosciences for over 60 years.

SFNS NEWSLETTER *Summer 2018*

SFNS President's Message

Happy Summer! This past annual meeting at the Silverado Resort in Napa was a huge success and marked the San Francisco Neurological Society's (SFNS) 70th ANNUAL MEETING! Kudos to Gordon Li and the planning committee, who did a tremendous job in planning a very eventful 3 day conference. 83 MD's, 28 nurses, 11 PhDs and others were in attendance.

SFNS has been busy planning for the November 3rd bi-annual Parkinson's Disease Symposium, which will take place at the JW Marriott Union Square. Co-Chairs Suketu Khandhar and James Tetrud have lined up important topics and key speakers to address our neurosciences community on important updates in Parkinson's Disease. Please keep you eye out for the registration link coming soon! We hope to see you all this Fall.

If you have not renewed your membership dues yet, or unsure if you have, please visit our website www.sfneurological.org and click "RENEW". Once you enter in your email address, you be alerted to renew. If you have renewed, you will be alerted that you cannot renew 90 days prior to the renewal date, which means you are current on dues.

We appreciate your continued support of SFNS!

Leslie A. Gillum, MD, MPH
