Dear Colleagues,

Happy New Year from the San Francisco Neurological Society. We are excited to continue our commitment to our mission - to increase, improve and disseminate knowledge of the nervous system and to improve the practice of neurology and neurological surgery within the

area of the Society's influence in the Western United States.

Please join us at the

67th SFNS ANNUAL MEETING
March 20-22, 2015
The Monterey Plaza Hotel

**2015 SFNS MEMBERSHIP DUES RENEWAL
INTRODUCING AUTO-RENEWAL**

We are delighted to introduce the NEW "Auto renew" feature for membership renewal!!! You can OPT IN to have your credit card charged each year and avoid our pesky blast emails followed by a paper (and costly) mailing. Support the SFNS and help us save money and paper by eliminating mailing out your invoice.

TO OPT INTO AUTO RENEWAL for your membership dues, follow these 3 easy steps:

- 1) Visit <https://www.123signup.com/profile?Org=sfneurological>
- 2) Log in and enter your password. Many of you do not know your

password, so ask for your password to be emailed to you. Then, CHANGE your password.

3) Scroll down on your profile page and UNCHECK the box that reads "Check this box if you do not want your membership to be renewed automatically"

Once you enter in your credit card number to pay for your 2015 dues and uncheck the box, you will automatically be enrolled in our auto renewal program!

CALL FOR PAPERS : YOUNG INVESTIGATORS AWARD
SUBMISSION DEADLINE: JANUARY 28, 2015

All residents and fellows in the neurosciences are invited to submit their papers for consideration for the San Francisco Neurological Society's (SFNS) annual awards. The papers should be previously unpublished, original work, however, they can be pending publication. The Henry Newman Award is presented each year to the author of the best paper dealing with clinical neurology.

The Edwin Boldrey Award is intended to recognize a research project in neuroscience.

The John Hanbery Award is given annually to the best clinical paper covering topics in neurosurgery.

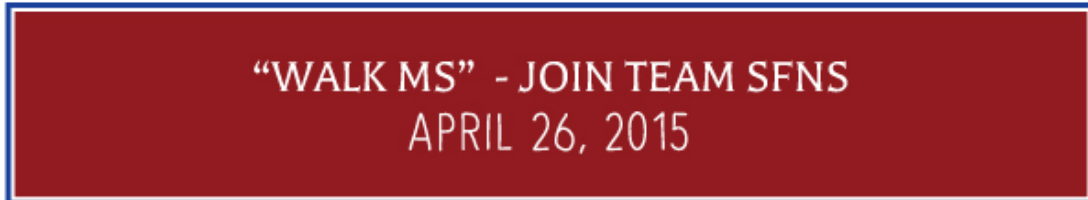

The Harold Rosegay Award is given annually to the best clinical paper covering topics in neurosurgical anatomy, history and clinical practice. The four award recipients must be available to present their papers at the San Francisco Neurological Society's Annual Meeting. Each presentation is to be 20 minutes in length.

The honorarium award is \$500.00 each for the Boldrey, Hanbery, Rosegay, and Newman Awards. In addition, the Award winners are

provided one night's complimentary lodging for the annual meeting and are given one ticket to the SFNS Annual Dinner.

SUBMISSION DEADLINE: JANUARY 28, 2015

For submission details and additional requirements/guidelines please visit our [Call for Papers web page](#).

JOIN the San Francisco Neurological Society MS Walk Team!!! Bring your family, kids, and friends and let's raise awareness and money together as a community!!!

The funds raised through Walk MS events support cutting-edge research and programs and services for everyone impacted by MS. Every step matters. Every dollar counts. Every person makes a difference.

[Click here to see the team page for Team SFNS.](#)

By joining the team, you will be signing up for a great event and an important cause. Each mile we walk brings us that much closer to a cure.

Thank you. I hope you join the team and the MS Movement!
- Amanda Pacia
