SAN FRANCISCO NEUROLOGICAL SOCIETY

ADVANCING KNOWLEDGE & IMPROVING PRACTICE IN THE NEUROSCIENCES FOR OVER 70 YEARS.

Writing Learning Objectives: CME activities should be designed with the goal of changing physician's competence, performance or patient outcomes not merely increasing knowledge. Learning objectives should be focused on outcomes such as those outlined below

Learning Objective Outcome Table

Comprehension

assess	contrast	distinguish	translate	classify	associate
demonstrate	estimate	interpret	discuss	compare	describe
estimate	interpret	review	differentiate	express	Predict
compute	report				

Application

apply	employ	match	relate	indentify	calculate
examine	operate	report	solve	choose	illustrate
order	restate	translate	complete	interpolate	practice
review	treat	demonstrate	interpret	predict	schedule
use	develop	locate	prescribe	select	utilize

Synthesis

arrange	construct	formulate	organize	produce	assemble
create	generalize	plan	propose	collect	design
integrate	prepare	specify	combine	detect	manage
prescribe	validate	compose	document		

Evaluation

appraise	critique	evaluate	select	choose	assess
decide	grade	rate	compare	estimate	determine
judge	recommend	test	measure		

Skills

demonstrate	visualize	diagnose	integrate	measure	operate
write	project	empathize	palpate	record	listen
